

NEW for 2024

#WESTandFOUND days!

Who doesn't like FREE art?!? This year, as a way to give back and have a little fun, the artists of WEST have decided to HIDE some free art around our neighbourhoods on SATURDAY, September 14 (the week before WEST) and again on SUNDAY, September 22 (the final day of WEST)!

The ONLY way you will find hints as to where the art is hidden is by following our WEST social media accounts on Facebook and Instagram @westendstudiotour where we will be posting photos that help you ID where to find free art!
